Financial Services and Credit Guide

CA Financial Services Group Pty Limited

PROFESSIONAL PRACTICE

FINANCIAL PLANNING ASSOCIATION *of* AUSTRALIA

Why this Guide is important to you

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee, AMP Financial Planning Limited (AMP Financial Planning)
- our fees and how we, and AMP Financial Planning are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or AMP Financial Planning

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you, we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Lack of independence

We are not independent, impartial or unbiased in relation to the provision of personal advice because:

- We may receive monetary and non-monetary benefits from product providers.
- Generally, we recommend products that are contained within our approved products and services list (APSL) which contain products and services from external providers and some which are related or associated with AMP Financial Planning. We may also hold shares in AMP Limited.

Tax implications of our advice

Under the Tax Agent Services Act 2009, CA Financial Services Group Pty Limited is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed, they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

We can arrange to complete transactions for you on limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years. You may request a copy of such records by contacting our office during that period.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, we may transfer our rights and obligations under our servicing arrangement with you to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If we do this, the new service provider will provide the servicing to you and will be entitled to the agreed fees. The new adviser will also take over the rights and obligations on the same terms and conditions set out in the servicing arrangement and we will be released from those rights and obligations. We will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply:

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage-based fee.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.
- Annual advice and services

Please note that for services in relation to insurance and some credit products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided)

All permissible fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue over a 12-month period.

For details of our service fees, please refer to **Schedule of fees** on page 23.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments, we may receive for our advice and services, we may receive other support services or recognition from the licensee to help us grow our business. This could include education or training support, badging rights, technology, financing, events or other recognition we are eligible for. These benefits such as prizes, awards, events may be given to us in recognition of financial planning excellence or innovation including if we qualify under the licensee's excellence program, or for business operational costs. These benefits are paid either at the licensee's discretion or depending on meeting certain qualifying criteria including the quality of our services and advice provided to our clients. We may receive benefits from product issuers that may include non-monetary

benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Business buy-back option

If we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

Personal and professional development

AMP Financial Planning offers education, personal and professional development opportunities to our practice on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.

Education and professional development

AMP Financial Planning may subsidise the cost of our participation in approved education and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice.

Qualification for this subsidy ceased on 31 December 2018. Any subsidy we earned prior in 2018 is available to us until 31 December 2020.

Provided we meet specific qualification criteria AMP Financial Planning will support the practice with up to 20% of the licensee fees payable by the practice to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority. We may also be eligible for education or training support to assist with the development of advisers in our practice. This support may be dependent on a number of factors including the experience of the adviser and their tenure at our practice.

Both the subsidy and support mentioned above are paid by AMP Financial Planning directly to the education provider and not to us.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria may be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning may subsidise the cost of their participation.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients.

It is important that you are aware of the relationships that AMP Financial Planning has with providers of financial services and products as they could be seen to influence the advice you receive.

We distribute the range of CA Managed Portfolios based on your Risk Profile.

MyNorth is the platforms that administer the CA Managed Portfolios.

CA Financial Services Group Pty Limited is not the investment manager. The responsible entity appoints a professional investment manager to provide advice about the management of the SMA portfolios. The responsible entity makes all investment decisions relating to the SMA portfolios.

We have no relationship or association with the investment manager.

In return for those services, ASL receives remuneration as set out below:

- For investment products and loan products – up to 0.33%* p.a. of funds under administration, the balance of any relevant cash account or the total loan value outstanding.

* includes GST

By way of example:

Arrangements with platform providers

This section of the FSCG sets out our relationships with platform providers and how these may influence the advice we give you.

Overview

Where you invest through platform products and services (such as investor directed portfolio services or IDPS), we may receive remuneration from those platform providers. Fees, commission payments and other benefits may be calculated as a percentage of your financial interest in a product or service or on the total amount of business advised. The amount and calculation of those fees are shown in the relevant disclosure document. Some fees and commission payments we receive may relate to arrangements existing before 1 July 2013. These arrangements will cease with effect from 1 January 2021.

Specific arrangements

We have arrangements with third parties for administration and support services in relation to the products below.

WealthView eWRAP and PortfolioCare platform

WealthView and PortfolioCare products and services are issued by companies in the AMP Group. Other companies in the AMP Group also provide services in respect of WealthView and PortfolioCare. Administration services are performed by Asgard Capital management Limited (Asgard).

If you access a product in the WealthView or PortfolioCare range, then administration fees and, where applicable, trustee fees, are deducted from your account. These fees, as set out in the product disclosure statement or IDPS Guide, are paid to AMP Financial Planning after deduction of expenses for administration services and other services provided as mentioned above.

Further details about the fees and costs of investing in WealthView or PortfolioCare are detailed in the relevant product disclosure statement or IDPS Guide. For closed products, please review the product disclosure statement you received when first investing in your product together with any correspondence from the issuer outlining changes to those fees and costs. Note that WealthView eWRAP and PortfolioCare Elements (super/pension, investment) closed to new members and investors in 2016.

Australian Finance Group (AFG)

AFG is an aggregator and it acts as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders as well as providing some other ancillary services.

Lenders may offer incentives that are paid directly to the Accredited Mortgage Consultant. These may include indirect benefits for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

Accredited Mortgage Consultants may be invited to attend the AFG National Conference. This is an annual event which offers Accredited Mortgage Consultants the opportunity for professional development and to hear industry updates and educational presentations by AFG and lender sponsors. AFG subsidises some costs of attendance, which may include meals and accommodation. The value will depend upon a range of factors, including the nature of the courses and events planned.

Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act, will be disclosed in our advice to you prior to application.

We (through an associated entity) hold shares in Australian Finance Group (AFG). The share price of AFG may react favourably to the sale of loan products recommended to AMP clients using the services of AFG, and we may therefore benefit from upward share price movements.
